Follow us on Twitter: NCGSgrowing

Or Facebook: Nanaimo Community Gardens Society

This form is intended for use by schools or other community agencies that have groups of individuals (children or adults) that visit one of the Community Garden sites on an ongoing or semi-regular basis (for example, weekly during the growing season or once in the spring and once in the fall). We require that this form be filled out so that the groups are covered under our insurance and we have up-to-date contact information. The form will need to be renewed on an annual basis.

Joining as a member of the Nanaimo Community Gardens Society (NCGS) is a show of support for our mission and mandate. Your membership helps to fund the important work of NCGS, both through your membership fee and by demonstrating community support and thereby increasing our chances of securing funding.

While all members are entitled to a vote at the AGM, only 1 representative of the group will be entitled to vote. All information collected on membership forms will not be lent, rented, sold or traded.

Name of Agency/Group: _____

Phone: _____ Address: _____

Email Address: _____
