

## **BLG Newsletter for Week of December 22**

**Thank You** – to Becky, who had some super volunteers helping her during workparties, but also spent a lot of time at home counting, weighing, and tabulating in order to complete the annual seed inventory

- to Melanie for sharing a tasty plate of goodies at the workparty last Wed.
- to John for sharing his salmon catch
- and to Lisa, Dorothy King, and Pat just for showing up for the last workparty of the year which was thoroughly rained out
- 

**Seed Trailer Project** – Lisa says:

Farm Folk City Folk would appreciate our input on seed trailer project. So anyone who attended that event, please use this link to let them know how much you valued that experience:

Helpful hints from Chef Lisa:

I used red onions, not shallots. There are both thyme and winter savory sprigs at BLG!

I used bought Pillsbury Crescent Roll dough from the cooler at the store.

And since I have no convection oven I baked at 375F. 20-25 minutes, (until crescent rolls are browned).
