

BLG Newsletter for Week of March 9, 2026

Seedy Sunday –

Judy, Joan B., & Lesley on-duty for the last sales shift

From Our Signage Specialist – Thanks, Joan B, for sharing your time and talent in creating these amazing signs!

It's Plant Label Sticker Time ! Thanks to all the Wednesday volunteers who picked up label homework packages on Wednesday. There will be a labelled box on the clubhouse table in which finished packages can be handed in on Wednesday.

Pat plans to be at the Monday workparty for a short time around 4pm in case some of the Monday crew would like one to take home. Saturday Crew, there may be a few left by then but I won't promise.

Workshop Host Needed- It would be very helpful for one of our volunteers to host the workshop "Starting Seeds Indoors" which will be presented in our greenhouse on Sat., Apr. 11 - 1:30 to 3:30 with Connie Kuramoto presenting. The duties of host include being there a little ahead of time to open the GH, helping Connie set up, putting chairs out (although this is often done by the morning workparty), welcoming participants and checking them off the list, introducing Connie to the group, and helping pack up at the end. In consideration of doing this, the host is welcome to attend the workshop free of charge. If you are interested in doing this, please let Lisa or Pat know.

Wanted: We could still use a few more 2 litre pop bottles for watering tiny seedlings... there are a couple of old ones with slime/algae inside and a few others so "crackled" they are ready to spring a leak!

Dates to Remember -

Mon., March 9 – Monday workparties start up again from 4pm to 6pm

Sat., March 14 – Saturday workparties start up again from 10 to noon

Wed., Mar. 18 – noon until 1:30 - first potluck lunch of 2026
